Good day Captain

For good understanding you only need HSMGO and LSMGO on arrival at Barbers Points Until reaching Balboa, Panama canal.

Pls confirm

Dear Sir,

Good Day,

Please note estimated ROB on arrival Barber's Point will be

HSIFO = 355.00 MT (Fuel Sufficient for about 23 days sailing and vessel can arrive Balboa) HSMGO = Nil LSMGO = 2.00 MT

Max Intake at Barber's Point

HSIFO = 355.00 MT

HSMGO = 46.00 MT

LSMGO = 46.00 MT

Kindly arrange at least LSMGO Bunker on arrival at Barber's Point.

Thanks & Best Regards,

Good day Captain Srivastava

In order to book next bunkering at Barbers point basis ETA 08 may as 03rd and last dis-port Pls advise your needs to perform sea passage to Panama canal.

Next bunkering will be arranged at Balboa/Cristobal.
